TOFFEE

English Toffee – Treat yourself to our rich English Toffee, one of our favorites. Our own premium milk chocolate layered over mouthwatering toffee and finished with a liberal sprinkle of pecans – it’s no wonder that it’s a bona-fide award-winner.

Cinnamon Toast Toffee - Call us crazy, but we decided to infuse our delicious toffee recipe with the warmth of cinnamon. Then we blanket it in premium milk chocolate, and sprinkle with a cinnamon -sugar blend reminiscent of a childhood craving of cinnamon-toast combined with a warm cup of hot chocolate.

Espresso Toffee - What's better than a rich, bold cup of espresso? Well, how about a nice espresso mixed with our mouth-watering toffee, then coated with our exceptional dark chocolate and topped with a generous sprinkling of pecans.

Ruby Toffee - Our signature buttery toffee hand-dipped in the *Ruby chocolate* & topped with dried raspberries and pistachios. A slightly tart and fruit-forward taste.

CHOCOLATE BARK & TREATS

Chocolate Peanut Butter Pillows – Indulge your taste buds with a hard-to-beat combo of rich dark chocolate and melt-in-your mouth peanut butter creating a flaky, dare we say, pillowy texture. You’ll understand immediately why this is one of our best sellers, with traditional and vegan chocolate lovers alike.

Coffee Breaks – Maple Leaf Roasters coffee is so divine we had to use it for a confection. Rich milk chocolate, gourmet medium roast coffee, white truffle artisan sea salt & finished with drizzles of white chocolate.

Cookie Butter Bark – The perfect amount of Cookie butter blended into rich dark chocolate to create a velvety decadent chocolate confection.

Cookies & Cream Bark – We create a creamy “cookie butter” with Oreos, blend it with dark chocolate and finish this fantastic treat with crushed Oreos and a touch of Truffle Salt.

Missfitz – Ever wonder what would happen if you mixed a bunch of your favorite ingredients together? We did and it’s fabulous! A blend of milk and dark chocolate, toffee bits, cinnamon, rice crisps, and espresso. Light, airy, chocolaty with a lite crunch.

Tiger Butter – A perfect blending of gourmet peanut butter, white chocolate, and swirls of milk chocolate.

Cashew Brittle – Our sensational brittle, loaded with cashews and dipped in rich dark chocolate.

Cinnamon Praline “Grams” – We adapted a family recipe and added a few twists. A buttery combination of pralines, chopped pecans, toffee bits, graham cracker, cinnamon, vanilla, & a touch of sea salt.

VEGAN TOFFEE

English Toffee – Our outstanding, handmade, plant-based toffee, dipped in premium imported dark chocolate & finished with chopped pecans.

Cinnamon Toast Toffee - Our signature, plant-based toffee infused with warm cinnamon, dipped in premium imported dark chocolate and sprinkled with cinnamon sugar.
